

# ARTISTIC UNIQUE IDEA

Apart from the technical aspect of this work, we offer professional, artistic and unique ideas, taking into consideration our customers' desires, the interior design of the spaces (home/commercial spaces), furniture, etc. that is exclusively done for them and nowhere else.

The wide range of the Exclusive Designs printings include:

- Wallpapers
- Glass/ laser cut partitions
- Kitchen backsplash
- Fabrics (furniture, curtains, bed sheets, towels, etc.)
- Tableware (dishes, glasses, mugs, etc.)

**We are:**

Committed to delivering excellence and believe strongly in collaborative partnership working.

Our clients value our depth and breadth of skills, our open, honest and friendly approach and our ability to work in accordance with their constantly changing business needs.

Operate within a friendly, supportive and vibrant culture of continuous learning and improvement.

# Design, Printing & Installation

One aspect is the technical and installation of these products, and the other aspect is combining this idea with interior design of the space and having comprehensive view of the whole space and presenting comprehensive offers to customers.

From the concept of an entire house or workspace design to designing a panel, and then printing and installation.

Printing on Sofa Fabric, on Towel, Wallpaper, on your Glass/Mug, on Flower Pot and Tableware (plates, bowls, etc.), on Glass/Laser Cut Partitions or Sandblasting and Printing.

Let us present a relatively new, comprehensive and unique work together.

## Ceramic Printed Kitchen Backsplashes

A 3D architectural rendering of a modern interior space. The scene features a wooden staircase with a black metal railing on the left. A kitchen island with a dark countertop and wooden stools is in the center. The background shows a living area with a large window, a sofa, and a coffee table. The floor is made of light-colored wood. The text "3D MODELING & VISUALIZATION for your better understanding before installation Ceramic Printed Kitchen Backsplashes" is overlaid on the image.

**3D MODELING & VISUALIZATION**  
for your better understanding before installation  
Ceramic Printed Kitchen Backsplashes

**Aiming to preserve natural resources**
